GENERAL INFORMATION

[Habitat for Humanity - Greater Columbus](#) (HFHGC) works throughout Franklin County, Ohio and has built more than 228 homes since 1987. The Greater Columbus Affiliate, through tithing to HFHI, has also helped to build more than 230 homes in developing countries throughout the world.

HFHGC is one of the only housing agencies in Franklin County targeting families who earn 30-60% of median income. HFHGC partner families are chosen after a careful review process during which Habitat assesses their need for housing; their ability to repay a zero-interest, no-profit mortgage and their willingness to partner with Habitat through sweat equity. All partner families are first-time homebuyers who earn 30-60% of the median income for Franklin County and currently live in substandard housing. Every partner family must perform a minimum of 200-250 hours of sweat equity, which includes working on their own house and those of other Habitat families, attending homeownership classes and providing Habitat program support. Every family also assumes a no-interest, no-profit mortgage with payments based on family income. Because HFHGC holds and services these mortgages, Habitat has a long-term relationship with the homeowners and the communities in which they live.

Also supporting HFHGC is [Habitat's ReStore](#), a resale store that accepts and sells reusable home improvement materials to the general public. Revenue from sales directly offsets 100% of Habitat's administrative costs and assists in both eliminating substandard housing and creating homeownership in Greater Columbus. Habitat's ReStore is located at 3140 Westerville Road, 3 miles southwest of Easton; 2 miles south of Morse Road. The store is open to the public Monday-Saturday 9 a.m. to 6 p.m. and Sundays from 12 – 5 p.m.
